Called to order at 5:30

Present: Dennis, Stephany, Rowan, Pam, Maggie, Mark O.

We are starting the process of investigating a formal complaint filed by Jessica Murphy, Nate Nichols, Sam Dunk, and Lydia S.

We are addressing the coercion and the title within an email sent to members of the Cross Country team. In addition, we are investigating whether or not the Stepp/Lones ticket should have or did know that Austin would be campaigning on their behalf.

Dennis has asked Eric Bilitz from Cross Country team if he has gotten any emails from cross country members telling him how to vote.

Rowan has emailed his athletics team asking the same question.

Stephany has emailed Hannah and Lorenzo asking if they were able to meet.

Rowan has emailed Jessica letting her know investigation has been filed.

Rowan has emailed Amanda W. regarding a request for campus-wide email regarding ability to see other students' votes.

The decision was made to delay the announcement of the election results, to assure the Court would have enough time to investigate.

Jessica M and Lydia met with us to discuss complaint.

Lorenzo met with us for an interview.

Discussion tabled at 7:15, to be reopened when another person related to this issue can be present.

Discussion reopened at 7:50.

Austin has met with us for an interview.

Hannah has met with us for an interview.

The court is tabling the discussion for the night, and will pick up with the investigation tomorrow.

Meeting adjourned at 8:30.
